## Equastone sets up fund for fire recovery

Wednesday, November 7, 2007

The Equastone Foundation, a nonprofit organization dedicated to helping communities, has set up the "After-the-Fires Fund" to support the victims of last month's wildfires and to assist with the rebuilding of San Diego.

To ensure 100 percent of the donations will go toward assisting those directly affected by the fires, Equastone officials are working with The San Diego Foundation, an established nonprofit that shares its mission.

Interested persons can mail their contribution in the form of a check, made payable to Equastone Foundation Inc., 8910 University Center Lane, Suite 500, San Diego, CA 92122. All donations are tax deductible.

Equastone will match up to \$30,000 in donations.
